CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 298

Citations Affected: IC 4-22-2-28; IC 13-14-9-4.2; IC 20-1-20.5-8.

Synopsis: Administrative rules requiring fiscal review. Makes the following changes to the administrative rulemaking statute requiring an agency to submit a rule with an estimated economic impact greater than \$500,000 to the legislative services agency (LSA) for a fiscal impact statement: (1) Requires the agency to consider the rule's annual economic impact after the rule is fully implemented. (2) Specifies that the \$500,000 threshold applies to the impact on all regulated persons. (3) Requires the agency to submit to LSA a rule meeting the threshold for a fiscal impact statement not later than 50 days before the public hearing on the rule. (4) Requires the agency to consider the rule's impact on a person that already voluntarily complies with the rule. Makes conforming changes to the statute requiring the education roundtable to determine the fiscal impact of certain recommendations it makes. (The introduced version of this bill was prepared by the administrative rules oversight committee.) (This conference committee report removes language: (1) requiring a state agency to assign a small business regulatory coordinator for each administrative rule proposed or adopted by the agency; (2) providing that a small business that gives voluntary notice to an agency of a rule violation is immune from civil or criminal liability resulting from an agency action under certain circumstances; and (3) prohibiting the air pollution control board and water pollution control board from adopting a rule or standard that is more stringent than a corresponding federal provision established under federal law.)
